Captain Anthony Nothing we could do and that they must be happy with the way the club is being run.

Gerry Mulholland Suggested we should be placing of the fairway in winter with extra wide first cuts of rough to place and play from to protect the course.

Captain Anthony This was tried a couple of years ago adding that the third hole gets the most damage and it may be better play a different course layout but he thought this was a joint meeting issue.

Paddy Dillon Complained about people chipping onto the putting green saying the signs should be moved and enlarged. If someone is hit by a ball are we liable.

Captain Anthony Not sure if we would be liable. Could email members plus members should tell other members not to do it, also something for the joint meeting.

Gerry Mulholland Enquired about how many inter club competitions are we playing in this year.

Captain Anthony Similar to last year.
