

Honorary Treasurers Report
Balcarrick Golf Club Men's section
Financial Year End 31st August 2014

This report deals solely with income and expenditure in relation to men's competitions.

Total income for the year was €112,233 up €6,108 on last year.

We paid out €33,692 for prizes and vouchers representing a payout of 30% of income (up €3,955 from 28% last year).

The surplus from competitions is an important part of the club's income and made a significant contribution to the running of the club this year.

The Figures above are based on unaudited accounts and may change when the audit is complete and the accounts are finalized.

Sincere thanks to Seamus Me Donnell, Gerry Dowling, Tom Mangan, Paul Burke and the rest of the Handicap committee for their tireless work this year with regard to competitions.

Richard Caffrey

Honorary Treasurer
