

New Year greetings from Lady Captain 2015

I am honoured and delighted to be the Lady Captain of Balcarrick Golf Club for 2015. I look forward to representing the ladies of this club to the best of my ability and in the tradition of all the hardworking Lady Captains who have gone before me. In this, I have a great committee to assist me.

It is my intention to promote Balcarrick Golf Club whenever I possibly can and I would urge all members to do likewise, whether it be encouraging new members or inviting friends or colleagues to play our great course.

As a support for the social aspect of the club, I would ask all of you to join in any social occasions and fun competitions that we have planned during the year. These occasions are a good way of getting to know our fellow members and to integrate new members.

We have a busy diary of events planned for the year ahead and I would encourage you to participate in our own club events and also to represent the club on inter club teams.

I wish Captain Christy and President Seamus all the very best for 2015 and good health, happiness and good golf to all our members and friends.
