

Balcarrick Golf Club

Corona Virus – Update 18th March 2020

Dear Members,

With the evolving national and international Covid-19 situation, the crisis management team have taken the decision to close the bar and restaurant until further notice. There will be limited access to the clubhouse with just the men's and ladies locker rooms/ bathrooms available. All doors to enter clubhouse and locker room facilities will be wedged open and members should not touch any doors or handles while in the clubhouse. Please read and make yourself aware of the health and safety guidelines posted around the clubhouse.

Golf and practise facilities will remain open for the time being, however you **MUST** book online or through the Pro-Shop when playing the golf course and have your name on the sheet so we can monitor who has played at the club.

Pro-Shop

The Pro-Shop will remain open with limited access throughout the shop. We ask that no more than 1 4 ball (4 persons) be in the shop at one time. The Pro-shop door will be left open at all times so there is no need to touch any door handles or door frame. Access to the fridge is available. The fridge door handles along with counter tops, handrails and front door handle are sprayed and wiped down with disinfectant spray and wipes regularly. When checking in we ask that you keep a distance of 3 metres from the counter. Iarlaith and any pro-shop staff will be wearing disposable gloves at all times and applying hand sanitizer on a regular basis. Iarlaith will conduct all signing in for players, printing off cards as well as signing any players into the 2's that want to participate.

Golf Course

For the time being the following course rules will be enforced:

- Please observe a placed lie local rule in all bunkers to avoid the use of rakes
- Do not use divot bags provided
- Flagstick **MUST** remain in the hole at all times, do not handle the flag
- Air hose cleaner has been switched off and should not be handled/used until further notice

This is all being done to reduce the spread of Covid-19. This message has been designed with the interest of the health and safety of our members and visitors in mind. Please adhere to all rules outlined above. We will continue to monitor the situation as it progresses and update you all with any changes in due course.
